

## Lesson Plan Summative Assessment Rubric

Create a record that clearly shows the outcomes of your lesson as it was taught in your classroom. The medium is your choice, but might include a video, digital story, podcast, webpage article, song, multimedia presentation or some other method of sharing your classroom experience with your lesson.

The record you create should include the following criteria:

	<b>Not Included</b>	<b>Partially Included</b>	<b>Fully Included</b>
<b>Highlights of the lesson:</b>			
♦ Reference to the big idea, essential questions and objectives.	1	2	3
♦ Includes a summary of the materials, methods and assessments used.	1	2	3
<b>Student's reaction to the lesson:</b>			
♦ Includes comments from students regarding interest and level of understanding, ease of un	1	2	3
♦ Shows student's level of engagement and participation throughout the lesson.	1	2	3
♦ Demonstrates the presence of multiple learning materials, methods and their effect on student understanding.	1	2	3
♦ Includes student feedback on the lesson.	1	2	3
<b>Teacher's reaction to the success of the lesson:</b>			
♦ Includes teacher feedback on the students' level of interest and understanding.	1	2	3
♦ Shows the effect of multiple learning materials and methods on student understanding	1	2	3
♦ Discusses changes the teacher would make to the lesson.	1	2	3
<b>Provide results of student understanding:</b>			
♦ Shows effects of lesson on student understanding.	1	2	3
